

# COMMON GENESIS

9,999 Pixel Monsters.  
Fully On-Chain. CCO. Forever.

In the beginning, there was the blockchain...

And from its code, 9,999 creatures were born.

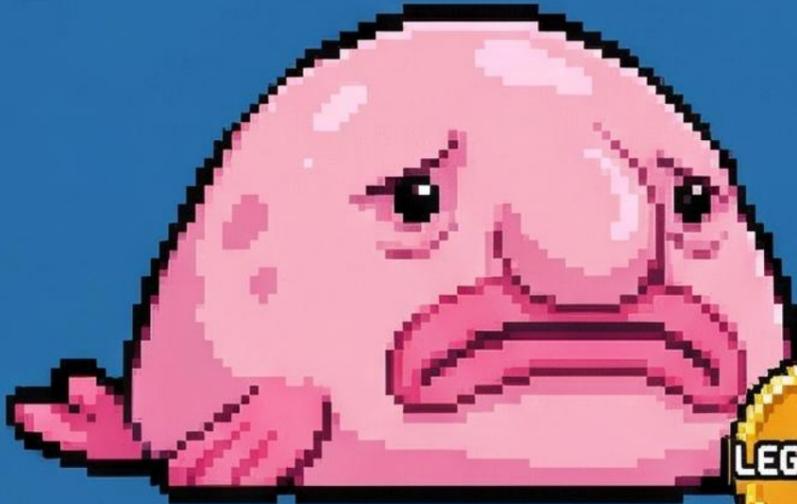

Permanent. Immutable.  
Forever on-chain.

# THE CREATOR: SATOSHI'S MOM

It started with pixel art.  
Just for fun.

2021

He built a museum. A real one. A 501(c)(3)  
nonprofit preserving Web3 history.

THE DIGITAL ASSET MUSEUM

501(c)(3)  
Nonprofit

The exterior of a classical-style building with columns and a central entrance. The building is illuminated from within, and several windows display various pixel art characters. A sign above the entrance reads "501(c)(3) Nonprofit".

No VC. No hype machine.  
Just art, lore, and monsters.  
All set free with CC0.
